

The Great Adventure

Steven Curtis Chapman

Started out this morning in the usual way
Chasing thoughts inside my head of all I had to do today
Another time around the circle try to make it better than the last

I opened up the Bible and I read about you and me
Said we'd all been prisoners and God's grace had set us all free
Somewhere between the pages it hit me like a lightning bolt
I saw a big frontier in front of me and I heard somebody say "Let's go"!

Saddle up your horses, we've got a trail to blaze
Through the wild blue yonder of God's amazing grace
Let's follow our leader into the glorious unknown
This is a life like no other, whoa whoa this is the great adventure

So come on get ready for the ride of your life
Gonna leave long faced religion in a cloud of dust behind
And discover all the new horizons waiting to be explored
This is what we were created for

We'll travel long, over mountains so high
We'll go through valleys so low
Still through it all we'll find that
This is the greatest journey that the human heart will ever see
The love of God will take us far beyond our wildest dreams
