

# Warrior

Steven Curtis Chapman

I see the smoke on the horizon.  
I feel my heart pounding in my chest.  
I hear the war raging all around me.  
And somehow I feel like I was born for this.  
I can taste the fear, but I choose courage  
As I raise my shield and lift my sword.

And I fall on my knees and I fight like a warrior  
I am a warrior on my knees.  
I call on the Name of the One Who is Conqueror  
I'm more than a conqueror when I believe.  
The enemy trembles every time  
'Cause he knows the battle is no longer mine  
When I fall on my knees and I fight like a warrior, like a warrior, oh, oh,  
oh

Daughters and sons, we can hear your calling  
Broken and weak, we can hear your cry  
And even though our enemy roars like a lion,  
The Lion of Judah is on our side.  
And He will go before us and behind us  
Fighting on the left and on the right

So I fall on my knees and I fight like a warrior  
I am a warrior on my knees  
I call on the Name of the One Who is Conqueror  
I'm more than a conqueror when I believe  
The enemy trembles every time  
'Cause he knows the battle is no longer mine  
When I fall on my knees and I fight like a warrior, like a warrior, like a warrior

Our weapons are trust, our weapons are hope  
In the King of Kings and the Lord of Lords  
He says, "I am with you so don't be afraid,  
'Cause I've already won this war."  
So fall on your knees and fight with me,  
We are the Warriors when we are on our knees  
The enemy trembles...

We will fall on our knees and fight like a warrior  
We are the Warriors on our knees  
We call on the Name of the One Who is Conqueror  
We're more than conquerors when we believe  
The enemy trembles every time  
'Cause he knows the battle isn't yours or mine  
When we fall on our knees and fight like a warrior, like a warrior  
We are warriors on our knees  
We are the warriors, we are Warriors, we are Warriors on our knees
