What Now

Steven Curtis Chapman

I saw the face of Jesus
In a little orphan girl
She was standing in the corner
On the other side of the world

And I heard the voice of Jesus Gently whisper to my heart Didn't you say you wanted to find Me Well, here I am, here you are

So what now What will you do now that you've found Me? What now What will you do with this treasure you've found

I know I may not look like what you expected But if you'll remember
This is right where I said I would be
You found me, what now?

And I saw the face of Jesus Down on Sixteenth Avenue He was sleeping in an old car While his mom went looking for food

And I heard the voice of Jesus Gently whisper to my soul Didn't you say you wanted to know me Well, here I am And it's getting cold

So come and know, know me now Come, come and know, know me now

Oh, come and know
Come, come and know, know me now
Come, come and know, know me now
