

# Undefeated

Steven Lee Olsen

Float like a butterfly  
Sting like a bee  
When my back's against the ropes  
And I'm all out of steam

You're my Adrian I'm your Rocky  
I got you you got me  
There's no stoppin' us  
Your dreams are my dreams  
No white towel in this ring  
No giving up

We are undefeated  
Fighting for this love  
These hearts are diamond tough  
Knock us down we get back up  
We can't be beaten  
Let this crazy world go down swinging  
We'll be arms up  
Undefeated  
(Undefeated)

I'll die trying  
Before I let us lose  
When it feels hopeless  
Broken and bruised

Just know you got me in your corner  
And I'll go to war for ya  
Take down your enemies  
Together you and me

We are undefeated  
Fighting for this love  
These hearts are diamond tough  
Knock us down we get back up  
We can't be beaten  
Let this crazy world go down swinging  
We'll be arms up  
Undefeated
