Hit the throttle take off on him tell me who gon stop'em
Foot on the gas I'm a problem
Told my people that I got them
Bet the slips let's get it Poppin
You know losing ain't an option
When it's time to grind tell me where to be
When it's time to shine show me where the grease

Hop in a Tesla hop in a Ferrari be the first to finish

Doing 90 on the highway
