Took em no time
They be at the homie neck just like a bow tie
Being faithful can be difficult I won't lie, I can't even lie
I got wifeys in my DMs, girlfriends and BMs
AM to the PM, black white and European
But I can't do that to my girl, you just want me for one reason
Cuz I'm ballin, I should look for a gym or coliseum you know

Yo number in my DM I ain't callin
And if you caught up in yo feelings girl I'm sorry
