Don't need me a cup of that Folgers, pour me them marshmallow clovers  
When it come to the size of the bowl, the bigger the better  
Growing up I can only have some in the morning, but now it's whenever

Yeah, don't mess with the Kix  
Not a fan of the Special K, neither the Chex  
Raisin Bran and Honey Smacks, well, who just does that?  
I consume enough cereal to feed a whole city  
Don't believe me, then you can ask plenty  
My mama, my sister, my cousin, my shawty, my auntie  
They'll all tell you the same thing  
Three bowls a day, and ain't a thing changed  
Ever since I was a whippersnapper  
In a diaper talking that jibber-jabber  
Off brand, boy it don't matter

Them Dyno-Bites, I'll be steady smashing  
Got the Fruity-O's, now give me two to-go, let's get it  
Wake up in the morning, then I thank the Lord  
Tank top on, let's get it, head straight to the kitchen  
Mom's like "Whatchu getting?"  
I'm like "Girl, you tripping!"  
Don't act like you ain't know  
[?] a bowl of that cereal!
