I got work all on the table
Yeah, my bros on payroll
Ayy tell them goons to lay low
Yeah, just keep it fresco
I'm on a whole new level
So keep it muy sosiego
Ayy no long talk, boy they know
They know I got that fuego
That fuego fire
Fuego woo, fuego fire
Fuego woo, fuego wow
Fuego woo, fuego fire, fuego woo
Came up from that Bando
And put in work like Rambo
Ayy tell them goons to lay low
You know I got that fuego
That fuego fire

Spark up that light make a way
I've been feeling like I'm Ye
This is my city get out of my way
Tapped in again for tha flame

Who else you know pulling up city to city in raging up all of this fire

Light up the torch we will flame it up
Blaze pon the fire and raise it up
The boy become duppy before giving up
