Yeah just keep it fresco  
I'm on a whole new level  
So keep it muy sosiego  
Aye no long talk girl they know  
They know I got that fuego  
That fuego fire  
Fuego whoo  
Fuego fire  
Fuego whoo  
Fuego woah  
Fuego whoo

Fuego whoo  
A real life Méjicana

Light up the torch we will flame it up  
Blaze pon the fire and raise it up  
The boy become duppy before giving up
