

On Ten

Steven Malcolm

Yuh

I been goin' nine nights in a row (In a row)
I got nine more cities till I'm home ('Til I'm home)
I got nine-nine written on my soul (On my soul)
And my life is a movie not a show

'Cause I'm always on ten (Yeah)
Can't imagine what I spent
From the start been all in
'Cause I'm always on ten
'Cause I'm always on ten

Ten out of ten with dat flow
I'm Alexander goin' Hamilton, ooh
Big body boy with that wrist watch
Ten o'clock up on the dot, still it don't stop
Ten toes down be the boy dat gon' pop
Bad boy Rodman with the dreadlocks
Tune to make ya head knock
Put 'em in a head lock
Make 'em see da ten dots
Send 'em about ten shots
Ask where the best spot
Aim for the chest drop
Dimes all the time
Strike ten pins make 'em all fall in line
Yeah, came down that mountain
With Ten Commandments
That He narrowed, yuh
Write this in stone 'n if
They think they kings, then send the ten plagues to the pharaoh
I shall not fear the apparel
Me put no fear in the devil
Sharp as the bevel blade
So insane saved by His grace
Ayy, ayy, ayy man

I been goin' nine nights in a row
I got nine more cities till I'm home
I got nine nine written on my soul
Like my life is a movie not a show

'Cause I'm always on ten
Can't imagine what I spent
From the start been all in
'Cause I'm always on ten
'Cause I'm always on ten
(Ten, ten, ten, ten, ten, ten, ten)

Ayy

1st off let 'em know that I'm all in
From the beginning back on
Division 'n Hall been 2 infinity glorifying the Trinity
Leaving a legacy livin' souly for Elohim Yuh
All praise the King that's two fives in the air
That's a pair to praise He who was sinless
Apart we all guilty 'n death is our sentence

All I see dead people dis here my sixth sense
Never luck I just don't not let the pen rest
Ate everything off the plate 'cause I'm obsessed
Mom was a drinker and Dad was a dealer
So trust that my music is bound to have substance, yuh
On it like Tiger with a nine iron yeah
Out for the kill like I'm Mike Meyer, ayy
I be the one on that four against five
Add it up, boy

I been goin' nine nights in a row
I got nine more cities till I'm home
I got nine nine written on soul
Like my life is a movie not a show

'Cause I'm always on ten, yeah
Can't imagine what I spent
From the start been all in
'Cause I'm always on ten
'Cause I'm always on ten
