

Rodeo

Steven Malcolm

Yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Rodeo, yeah

Life like a rodeo (Rodeo)
Turn to what I only know
Praying for a sober soul (Sober soul)
Look in that mirror, feel like just like broken (Yeah!)
Like I got no hopin'
Fight me to stay focus
But when I'm with you, I got nothing but your love up on my lips (Yeah!)
Taste of an eternal life of all I wanna get yeah
Is you my all (Give you my all)
Is you my all (Give you my all)

Spinning round, round, round, round, like a rodeo
Losing my way then you take control
You know how I feel
Yeah you love me still (Yeah, it's lit!)
Spinning round, round, round, round, like a rodeo
Losing my way then you take control
You know how I feel
Yeah you love me still (Yeah)

That's what makes it real (Real, real, real)
Cause I'm perfectly human
But your love that's been proving real
That's what makes it real
That's what makes it real
That's what makes it real

I'm feeling way up (Way up)
Wake up in prayer (Pray on)
Feeling my dreadlocks (Dreadlocks)
Yeah, Ohhhh working on my patience (Yeah!)
Need more than I take one (One)
Need more than I take two (Yeah!)
But am I really ready for the fight though
Back all against the tightrope (Tightrope)
Girls all up in my DM tryna see if he will give em' one night though (Yo!)
I'm tryna see it as it really is
Look past the folks and see you how you see me

Spinning round, round, round, round, like a rodeo
Losing my way then you take control
You know how I feel
Yeah you love me still (Yeah, it's lit!)
Spinning round, round, round, round, like a rodeo
Losing my way then you take control
You know how I feel
Yeah you love me still (Yeah)

That's what makes it real (Real, real, real)
Cause I'm perfectly human
But your love that's been proving real
That's what makes it real

That's what makes it real
That's what makes it real

Spinning round, round, round, round, like a rodeo
Losing my way then you take control
You know how I feel
Yeah you love me still
That's what makes it real
