

Summertime

Steven Malcolm

Yeah

Riding down that Boulevard in that six four, sway, yeah
6 a.m. flights to the next city, rage, yeah
This past year been a lil crazy but we still here
Ain't no complaining, yeah
Momma happy that her baby boy made it outta that basement
Stuck to the basics, yeah

We party like it's summer everyday (Yeah yeah)
We put the work in, always straight (Yeah, yeah)
Praise God, look what He did for me (Hey)
Summer summertime, man it feel like every day (Every day)
All my friends around me, no time for the fakes (For the fakes)
Summer summertime, man it feel like every day (Every day)
Summer summertime, man it feel like every day (Yeah yeah)
Summer summertime, man it feel like every day

Got that shine bright, drip on me tough
Knowing that I gotta come with it like a pile up
In a young bull with a plate full
No dad present lotta hate toward him
Been alone, feelin' like I can't do it
Then God stepped in with a plan for me, yeah
Ayy, breakfast meetings out on sixtieth
Rapping after school, using my talents just to serve him with
Learning from the greats
I've never been the type to fake
I put my city on my back
I'm on the road with no brakes

Lifestyle of the young and wavy
Sitting low in that six four, levitate on
Still with my day ones, ain't the type to switch up
I've been in my bag, thinking, "God we made it"
That's a major key alert, yeah, yeah (Yeahhhhhh)
Ey, summertime in my coupe swaying
Riding two, let ignite the whole city, yeah, yeah, yeah

We party like it's summer everyday (Yeah yeah)
We put the work in, always straight (Are we straight)
Praise God, look what He did for me (Hey)
Summer summertime, man it feel like every day (Every day)
All my friends around me, no time for the fakes (For the fakes)
Summer summertime, man it feel like every day (Every day)
Summer summertime, man it feel like every day (Yeah yeah)
Summer summertime, man it feel like every dayyyyyyyyyyy

Yeah, yeah
Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh, wow, ooh-ooh-ooh-ooh-ooh-ooh
Summer, summer, summertime
Ooh-ooh-ooh-ooh-ooh-ooh-ooh
Yeah, yeah, yeah
