

# KING GHOST

Steven Wilson

Will you help me gather my thoughts?  
Will you help me find the transitions I forgot?  
Can you be me for a moment? (Yeah)  
Live inside me  
And see the world the way it always looks to me

And when you're moving through a photograph  
You're faster than most  
You're bloody king ghost  
But you're kind of wasted  
And I wish I'd waited  
For you  
To come to

King ghost hold me  
Like I was your only memory

Commoner  
Field  
Sanity  
Telecom  
Ice  
Loneliness  
Tolerance

Aligned

You see that's what I'm talking about  
You can wash away the dirt  
But you can't wash away the failure  
You'd better take your meds  
Get out of bed  
And pay me some attention (oh)

King ghost hold me  
Like I was your only memory

King ghost hold me  
Like I was your only memory
