

Call My Name

Stevie B

The way I feel
whenever I think about you
maybe it's just a fantasy

but when you're near
the look in your eyes can tell me
maybe it's just my destiny

and I can't hide it anymore
the way you make me feel inside
the reason why I'm here tonight
is just to tell you girl

if you need me to touch and I hold you
baby, call my name
if you want me to say that I love you
baby, call my name

if you need me to touch and I hold you
baby, call my name
if you want me to say that I love you
baby, call my name

and tell me now
that you call that I ever listen
^^^^

[??? Dieser Satz ist imho schwer zu verstehen]
maybe it's just a mystery
girl I'm say'in
that the distance can bring us closer
and maybe it's just reality

and I can't hide it anymore
the way you make me feel inside
the reason why I'm here tonight
is just to tell you girl

if you need me to touch and I hold you
baby, call my name
if you want me to say that I love you
baby, call my name

if you need me to touch and I hold you
baby, call my name
if you want me to say that I love you
baby, call my name

the reason why I'm here tonight
(baby, call my name)
is just to tell you girl

if you need me to touch and I hold you
baby, call my name
if you want me to say that I love you
baby, call my name
if you need me to touch and I hold you
baby, call my name

if you want me to say that I love you
baby, call my name
