

## Each Time

Stevie B

I can remember when my love was so stronger  
I can remember I felt so younger  
Our Springtime, Summer Love flowing through the air  
You came in my life and loved me without a care.

Now you're gone, suddenly I am alone  
Can't you see I can't go on  
Won't you tell me what went wrong  
Come and see about me.

Each time you go away again, I just lay down and cry  
Each time you walk away again, a part of me just dies  
Each time you break my heart again, I know it's not the end  
Each time you say goodbye again, you know you hurt a friend.

I never knew that you could do me so wrong girl  
When night after night I'm waiting for your return  
I know that you know that I gave like no other for all these ye  
ars  
So come back and save me, I'm drowning in my own tears.

So you're gone and I am feeling so all alone  
And I know that I must go on  
Can you tell me where you've gone  
Come back and see about me.
