

Facts of Love

Stevie B

I wasn't the one to take them serious
It was just a game for me to play
Until one day my baby broke my heart
Said she's leaving
Said she wouldn't stay

Out of the blue shes found someone new
Found another to take my place
Season's change, rearrange
Never thought that love
Would hurt me so bad
We all knew love
I wish you well
Sorry baby I wanna tell

I wanna tell you about the facts of love
Is just coming from experience
This a story of a broken heart
Every girl and boy you better listen up
Is she the one you giving your love to
Is she loving you the way you do

A little bitty about the facts of love
Never give your love
Til you know, know is true

To those of you who wanna fall in love
Won't you lend an ear to some advice today
Your heart's in love will always persevere
Cause you love someone don't even feel the same

These words I say to you are from my heart
I want to share with you
straight from my broken heart

Season's change, rearrange
Never thought that love
Would hurt me so bad
We all know love
I wish you well
Sorry baby I wanna tell

I wanna tell you about the facts of love
Is just coming from experience
This is a story of a broken heart
Every girl and boy you better listen up
Is she the one you giving your love to
Is she loving you the way you do

A little bitty of the facts of love
Never give your love
Til you know, know is true
