

# I Came to Rock Your Body

Stevie B

Girl, what's the matter  
Can't you read between the lines  
Cause there's something I gotta tell you  
That's been on my mind

My intention  
Was just to know your name  
I want you you and I'll take the blame  
I must confess, I didn't mean to lie  
You know you turn me on  
I really want to rock with you

Oh, I love you baby  
Oh, I need you baby

So now that I've told you  
What you gonna do for me  
I'd like to hold and squeeze you tight  
Rock you to the morning light

I'd melt and give you my love  
Like no other before  
Forget the rest, and try my love  
You know you turn me on  
I really wanna rock with you

Oh, I love you baby  
Oh, I need you baby  
Don't you know that

I came to rock your body  
I came to rock it all night long  
Cause I came to rock your body  
Stop wasting time and let's get it on

Rock your body, rock your body...

Get it, get it, get it, get it on...

Girl, what's the matter  
Won't you make up your mind  
Don't ask me what I came here for  
You can tell by the look in my eyes

I'll rock your world until the morning comes  
Like no other before  
You won't regret if you try my love  
You know you turn me on  
I really rock with you

Oh, I love you baby  
Oh, I need you baby  
Don't you know that

I came to rock your body  
I came to rock it all night long  
Cause I came to rock your body

Stop wasting time and let's get it on
