

If You Ever Believed

Stevie B

All of my life I've waited
I prayed anticipated
I needed some one to love
Someone to share with me
Deep inside my hopes and dreams
Things ain't always what they seem to be
Sometimes words can't express exactly what we feel

If you wanna let go
I wont forget about you
You'll never doubt my word again
You know that I'm pain
I need your love again
So many times my heart has been broken

If you ever believed in love
Don't break my heart
I never knew that we so far apart
Till the day when you walked out
Of my life and you left me

If you ever believed in us
Please don't walk away
I finally understand the love that I've always gaved
Tell me what can I do
I'm still crazy for you

Sometimes you know is not enough
You gave faith love with all your trust
All I ever wanted was good woman

Know I all I can do is wish you well
Just want you to know I love you still
I never forget the times that we once shared

If you wanna let go
I wont forget about you
You'll never doubt my word again
You know that I'm in pain
I need your love again
So many times my heart has been broken

If you ever believed in love
Don't break my heart
I never knew that we so far apart
Till the day when you walked out
Of my life and you left me

If you ever believed in us
please don't walk away
I finally understand the love that I've always gaved
Tell me what can I do
I'm still crazy for you

If you ever believed in love
Don't break my heart

I never knew that we so far apart
Till the day when you walked out
Of my life and you left me

If you ever believed in us
Please don't walk away
I finally understand the love that I've always gaved
Tell me what can I do
I'm still crazy for you
