

# Never Fall in Love Again

Stevie B

I'll never fall in love again

I'll never fall in love again

Told my heart you went away  
But that you be back to stay  
I've been waiting for all these years  
And I'm crying a river in my own tears  
I'm expecting you come back to me  
Only you can set me free  
Cuz I'm still in love with you  
And I want you to know  
That my heart is true

And girl

How can you walk away  
From this good thing  
Cause I need you right by my side  
And I know if you give me a chance  
Girl you will never walk away again

Girl can you come back again  
I'll never fall in love again  
Girl can you come set me free  
I'll never put my heart away  
I'll never play this foolish game  
I'll never play this foolish game  
I'll never fall in love again  
I'll never fall in love again

I'm the sinner and you're the sin  
Tell me how to live again  
Never taught it could be like this  
I go head over heels  
With just a kiss  
But before you turn away  
Hear the words I got to say  
Girl I'm still in love with you  
And I need you to know  
That my love is true

And girl

How could you walk away  
From this good thing  
Cause I need you right by my side  
And I know if you give me one more chance  
Girl you will never walk away again  
[2x]

Girl can you come back again  
I'll never fall in love again  
Girl can you come set me free  
I'll never put my heart away  
I'll never play this foolish game  
I'll never play this foolish game

I'll never fall in love again  
I'll never fall in love again

Till you come back  
To set my heart free  
I could never fall in love again

Ohhh girl

How could you walk away  
From this good thing  
Cause I need you right by my side  
And I know if you give me one more chance  
Girl you will never walk away again

Girl can you come back again  
I'll never fall in love again  
Girl can you come set me free  
I'll never put my heart away  
I'll never play this foolish game  
I'll never play this foolish game  
I'll never fall in love again  
I'll never fall in love again

I'll never fall in love again

I'll never play this foolish game

Girl can you come back again  
I'll never fall in love again  
Girl can you come set me free  
I'll never put my heart away  
I'll never play this foolish game  
I'll never play this foolish game  
I'll never fall in love again  
I'll never fall in love again
