

Who's Loving You Tonight

Stevie B

Oh baby, I wanna know, oh yeah

Lately I've been thinking 'bout you, baby
About the things that have been going on
You've found another man, and I know that
He's been rocking your world pretty strong

I guess I should have known
What was on your mind
You were thinking of leaving me
All the time
I guess it's too late girl to let you know
How much I really love you
I don't want you to go

I want to know
Who's loving you tonight
Oh baby
I want to know
Who's loving you tonight
Oh sugar

Is it true that you've been contemplating
How to tell me what's been on your mind
You've been running around
With another man, girl
And it's been going on for quite some time

I guess it doesn't matter
That you're breaking my heart
Girl you could've told me
How you felt from the start
Just another heart left out in the rain
How could you ever leave me girl
In so much pain

I want to know
Who's loving you tonight
Oh baby
I want to know
Who's loving you tonight
Oh sugar

Girl, how long has this been going on?
You've been hiding this for oh so long
Just another song playing in my mind
What we had was a love so strong
Oh oh

Oh, oh yeah

I want to know
Who's loving you tonight
Oh baby
I want to know
Who's loving you tonight
Oh sugar

I want to know
Who's loving you tonight
Oh baby
I want to know
Who's loving you tonight
Oh sugar
I want to know
Who's loving you tonight
Oh baby
I want to know
Who's loving you tonight
Oh sugar
I want to know
Who's loving you tonight
Oh baby
I want to know
Who's loving you tonight
Oh sugar
I want to know
Who's loving you tonight
