

# You're The One I Think About

Stevie B

Every single day  
I think of you  
and the lovely things  
you make me feel  
there's no other one  
who Isn't like you  
this is why I say  
this one's for you

You're the one I think about  
you're one of a kind  
you're the one I think about  
I know you well  
you're the one I think about  
you're are on my mind  
you're the one I think about  
can't you tell

When I'm on my own  
I think of you  
the thought of having you  
at home is all I need  
whenever I am down  
you are there  
this is why I say  
this one's for you ohhh

You're the one I think about  
can't you tell  
you're the only one I think about  
you're the one I think about  
can't you tell  
you're the one I think about  
can't you tell  
ohhh

You are the one I think about  
girl in my dreams yes it's you I think about  
you are the one I think about  
girl cant you tell that is you I think about

And everytime I hear sweet music in the air  
I think of you all the time  
ohhh my baby baby  
and whenever I get a chance to close my eyes  
I think of you  
I think of you  
I dream of you baby

You're the one I think about  
You're the one I think about  
can't you tell  
You are the only one I think about  
You're the one I think about
