

# Anymore

Stevie Hoang

I'm gonna play the part  
I'll be the selfish fool  
Convince you, I don't care  
You'll never know the truth  
When your friends wanna talk  
Tell them it's all my fault  
I'll take the blame for it all

I'll make sure that you forget  
All the good times  
So when you think of me  
They'll never cross your mind

I'll pretend I didn't love you at all  
When you call me, I won't answer the phone  
I'll be cruel to you  
I'll do what it takes to help you move on  
So you don't have to love me  
Anymore

When you're awake at night  
And you start missing me  
Girl, you can call my phone  
But I'll just let it ring  
Don't wanna be so cold  
It hurts me to my soul  
But it's better I let you go

I'll make sure that you forget  
All the good times  
So when you think of me  
They'll never cross your mind

I'll pretend I didn't love you at all  
When you call me, I won't answer the phone  
I'll be cruel to you  
I'll do what it takes to help you move on  
So you don't have to love me  
Anymore

When time has passed  
You're gonna move on  
There'll be a day when you're gonna look back  
And I'll just be some guy that you used to know

I'll pretend I didn't love you at all  
When you call me, I won't answer the phone  
(I won't answer the phone)  
I'll be cruel to you  
I'll do what it takes to help you move on  
So you don't have to love me  
Anymore
