

Changes

Stevie Hoang

Yeah, see you're my shawty
Tryna take it back to the way it used to be
It was all good just a week ago
Now I'm starting to notice a little bit of change (let's go)

It don't take much for me to make you mad baby
And lately girl it seems like I've been driving you crazy
Tell me how we got this way, there just so much I can take
It feels like we gotta make a change

Oh girl, I know I did you wrong in the past
Oh girl, I thought we moved on and let it go
But I guess I was wrong, and I'm tryna be strong
But it's breaking my heart

Can we go back to how we used to be
Let's work it out cause I don't wanna leave
It's driving me crazy, I'm missin' my baby
Can you tell me what's changed

Can we go back to how we used to be
Girl it seems like you wanna turn your back on me
It's driving me crazy, I'm missin' my baby
Can you tell me what's changed

It's like the situation's going from bad to worse
And now it seems like everything I do just ain't good enough
Hey, I do my best to make it work
But you know we can't keep goin' on this way, baby

Oh girl, I know I did you wrong in the past
Oh girl, you know I pledge us so many times
And now I don't know, if I should go
Cause I don't want to do this no more

Can we go back to how we used to be
Let's work it out cause I don't wanna leave
It's driving me crazy, I'm missin' my baby
Can you tell me what's changed
(Can you tell me oooh)

Can we go back to how we used to be
Girl it seems like you wanna turn your back on me
It's driving me crazy, I'm missin' my baby
(I'm missin' my baby)
Can you tell me what's changed

You know that things just aren't gettin' better
Baby, we gotta make it right
Girl I ain't even sure if we'll ever
Get back to the way we were
And I'm not gonna play, like everything's alright
We've been through too much to let it go
Baby, I just wanna know
Can we start over again (yeeaaah)

Let's try to start over baby (ooh girl)

Worldwide, time to time I gotta switch states

You my shawty tryna take you back to day one

Time is money, you know, gotta tell me (lets go! haha)

Can we go back to how we used to be
Let's work it out cause I don't wanna leave
It's driving me crazy, (driving me crazy)
I'm missin' my baby (missin' my baby)
Can you tell me what's changed
(Girl I wanna know)

Can we go back to how we used to be
(Said I wanna know)
Girl it seems like you wanna turn your back on me
(Baby can you tell me why)
It's driving me crazy, I'm missin' my baby
