

If you're looking for a way out,
I won't stand in your way.
If your heart is set on leaving,
I won't beg you to stay.
But until you're gonna be strong,
I'll hold it all inside.
You'll never see me cry...
You'll never see me cry...

You say that things have changed.
And the touch of my hands,
It just don't feel the same.
And it might be better,
To go our separate ways
Cuz you can't take the pain anymore.

If you're looking for a way out,
I won't stand in your way.
If your heart is set on leaving,
I won't beg you to stay.
But until you're gonna be strong,
I'll hold it all inside.
You'll never see me cry...
You'll never see me cry...

I wish she only knew,
Just how bad I want to make it work.
She would stay,
But I can't find the words.
Cuz as soon as I try, I can't swallow my pride.
And the only thing that I can say,

If you looking for a way out,
I won't stand in your way.
If your heart is set on leaving,
I won't beg you to stay.
But until you're gonna be strong,
I'll hold it all inside.
You'll never see me cry...
You'll never see me cry...

If only she could read my mind,
She would've never walked away.
And she will realize how much I need her in my life.
But she don't want to hurt no more,
And maybe she'll be better off.
So I know that I gotta let her go.

If you're looking for a way out,
I won't stand in your way.
If your heart is set on leaving,
I won't beg you to stay.
But until you're gonna be strong,
I'll hold it all inside.
You'll never see me cry...
You'll never see me cry...
