

I Hate Falling in Love

Stevie Hoang

Just when I thought I could changed
I end up falling again
It's something I just can't fight
Heartbroken time after time
Don't even know why I try
I must me out of my mind

I don't know why
I keep putting myself though it, why
I'm so obsessed, I can't even sleep
Every time it cuts me so deep
Don't know why, But I still believe,
I'll find the one

But I hate falling in love
I hate falling in love
I hate falling in love
I hate falling in love

And even though I can't stand the pain
I'll still do it again
Till I find what I'm looking for

But I hate falling in love
I hate falling in love

Praying to God everyday
Hoping my luck's gonna change
Then maybe I'll get my turn (I'll get my turn)
But I know,
Soon as I fall she'll be gone
Don't know what I'm doing wrong
It seems like I'll never love

I don't know why
I keep putting myself though it, why
I'm so obsessed
I can't even sleep
Every time it cuts me so deep
Don't know why

But I still believe
I'll find the one

But I hate falling in love
I hate falling in love
I hate falling in love
I hate falling in love

And even though I can't stand the pain
I'll still do it again
Till I find what I'm looking for

But I hate falling in love

It's getting harder
Each and every time I try (try try try)

I'm losing my faith
But I gotta have it in my life (life life)

But I just can't deny it
The more I try to fight it
The more I want it so bad

I hate falling in love

But I hate falling in love
I hate falling in love
I hate falling in love
I hate falling in love

And even though I can't stand the pain
I'll still do it again
Till I find what I'm looking for

But I hate falling in love
I hate falling in love
I hate falling in love
I hate falling in love

And even though I can't stand the pain
I'll still do it again
Till I find what I'm looking for

But I hate falling in love
