

I Won't Say I'm In Love

Stevie Hoang

I've never been much good at love
So many times I've messed it up
I didn't plan to fall
Then Cupid shot its bow
She came and stole my heart

I never thought that I would act like this
Thinking of wedding bells a house and kids
I gotta play it cool
I won't tell her the truth
I'll keep it to myself

I know that I love her but I won't say
I know that I love her from the first day
I've gotta hold it back
Don't wanna move too fast
I won't say that I'm in love
I know she's the one cause it feels so right
I know she's the one lookin' in her eyes
It's written on my face
It's too early to say
I'll hold it back
I won't say that I'm in love

If she only knew what's on my mind
If she only knew what I feel inside
But she turn me away
Oh would she feel the same
And give her heart to me
Yeah

This time I know for sure that she's the one
I'm praying I'm not gonna messed this up
I knew the day we meet
I haven't told her yet
I'll keep it to myself

I know that I love her but I won't say
I know that I love her from the first day
I've gotta hold it back
Don't wanna move too fast
I won't say that I'm in love
I know she's the one cause it feels so right
I know she's the one lookin' in her eyes
It's written on my face
It's too early to say
I'll hold it back
I won't say that I'm in love
