

# Just Let Me Love You

**Stevie Hoang**

I see you cry  
Almost every night  
Can't believe you put up  
With the hurt and the lies  
It's such a shame  
You let him play his games  
But you choose to stick around  
Knowing that he won't change

Baby if you let me love you  
I can take away the pain  
Girl the grass is so much greener  
Darling you don't have to stay

Girl I'm only one phone call away  
Baby I'll be there to ease your pain  
Honey you don't need to worry  
I'll be everything that you need  
Just let me love you baby

Just let me love you  
Just let me love you

I can't believe  
He don't see what I see  
Baby you're one of a kind  
And if you were with me

You'll never have to worry (where I'll be)  
Waking up every morning (next to me)  
Promise that I'mma give you (all you need)  
Girl you be my everything

Baby if you let me love you  
I can take away the pain (all the pain)  
Girl the grass is so much greener (greener)  
Darling you don't have to stay

Girl I'm only one phone call away  
Baby I'll be there to ease your pain  
Honey you don't need to worry  
I'll be everything that you need  
Just let me love you baby

Just let me love you  
Just let me love you

Girl I'm only one phone call away  
Baby I'll be there to ease your pain  
Honey you don't need to worry  
I'll be everything that you need  
Just let me love you baby
