

# Summertime

Stevie Hoang

This is for my fellas in the streets  
This is for my sexy independent ladies  
Everybody say ah ye ya ah ye ya  
Say ah ye ya ah ye ya  
This is for my thugs in the hood  
This is for them haters let them know that your good  
Everybody say ah ye ya ah ye ya  
Say ah ye ya  
It's the summer time

I pull up in the lex (Lex)  
Looking so fly (Fly)  
Bout to hit the club it's 11: 45 (What up)  
I can't deny I've come so far (Straight up)  
I'm a certify super star (Damn)  
I roll up in the spot (Spot)  
The shawtys know my name  
They be like hey Stevie I'm so glad you came (What up)  
This is what we came here to do (Straight up)  
Can I roll and get tipsy with you

This is for my girls all around the world  
Put your hands in the sky move them side to side (Put them up)  
All my people that have came to get down tonight  
This song is for you

This is for my fellas in the streets  
This is for my sexy independent ladies  
Everybody say ah ye ya ah ye ya  
Say ah ye ya ah ye ya  
This is for my thugs in the hood  
This is for them haters let them know that your good  
Everybody say ah ye ya ah ye ya  
Say ah ye ya  
It's the summer time  
It's the summer time  
We be rollin and rollin and rollin this how we do  
In the summer time

Ayo Stevie let me get a piece of this  
I like the summer breeze  
I love it (Damn)  
It's the summer time  
In the hood  
Looking good  
Feeling good  
Like I should be  
Haters wish the can be  
Like me  
Blac B  
Women in two piece  
I be in my tank top  
Sipping on that buddy  
Shawty so lovely  
Met her at the cookout  
Said she like my style  
So I took her back to my house

Then we hit the club  
Late night balling  
Cheering  
Yeah nigga feeling like a million

This is for my fellas in the streets  
This is for my sexy independent ladies  
Everybody say ah ye ya ah ye ya  
Say ah ye ya ah ye ya  
This is for my thugs in the hood  
This is for them haters let them know that your good  
Everybody say ah ye ya ah ye ya  
Say ah ye ya  
It's the summer time  
It's the summer time  
We be rollin and rollin and rollin this how we do  
In the summer time
