

Until I Found You

Stevie Hoang

I can't believe I'm standing here tonight
Looking at you I've waited all my life
And now to you I give this heart of mine

The way I feel for you will never change
And in my heart I know you've feel the same
Girl no one else will ever take your place

Baby cause you're the one for me
Don't wake me up if I'm asleep
I'd never had a dream come true
Until the day that I found you
Girl I've been waiting for this night
And now the stars are in the sky
I'd never had a dream come true
Until the day that I found you
Until I found you
Until I found you
Until I found you
Until I found you

I'll be the one beside you through the years
I'll be the one to wipe away your tears
You never have to feel, yeah

And everytime I close my eyes, I thank alone above
For bringing you into my life now I believe in love
I give myself to you with all my heart

Baby cause you're the one for me
Don't wake me up if I'm asleep
I'd never had a dream come true
Until the day that I found you
Girl I've been waiting for this night
And now the stars are in the sky
I'd never had a dream come true
Until the day that I found you
Until I found you
Until I found you
Until I found you
Until I found you

Baby cause you're the one for me
Don't wake me up if I'm asleep
I'd never had a dream come true
Until the day that I found you
Girl I've been waiting for this night
And now the stars are in the sky
I'd never had a dream come true
Until the day that I found you
