

Belle Fleur

Stevie Nicks

Mountain women
Living in the canyon
Canyon dancing
All night long
They form a circle
Hand in hand
Are you with me lady stranger?
His voice rang
Are you looking for a man... ?
Oh, whoa
Will you dance with me
Will you dance with me, baby
Oh, whoa, oh
Belle blue
Belle flower...
Will you dance with me
Will you dance with me, baby
Whoa... oh... whoa...
Well, this is no ticket to dreamland
A garden for fevers to grow in
As I run through the door of the long black... car...
Belle...
Will you dance with me
Will you dance with me, baby
Oh... whoa... oh...
Will you dance with me
Belle blue
Belle flower...
Will you dance with me
Will you dance with me, baby
Oh... whoa... oh...
And the... days go by
Sunset sound
Sunrise...
Sing to me...
A lullaby...
Sing to me...
Of the daylight...
I will
Sing you a story of moonlight...
Ah... oh...
Will you dance with me
Will you dance with me, baby
Oh...
Will you dance with me
It's just love
It's only love...
Will you dance with me
Will you dance with me, baby
Sunset sound...
Sunrise...
Sing to me
Lullaby...
I will sing to you...
Of the nighttime...
I will
Sing you a story of moonlight...

Moonlight...
Will you dance with me
Will you dance with me, baby
Moonlight
Will you dance with me
Belle blue
Belle flower... .
It's just love
It's only love
Oh...
Will you dance with... me... .
