Move around with caution

Make you pause bitch, summertime mind, I be bossin'
Kickin', rollin' on you niggas, Malone and John Stockton
Make you niggas wait, said I'm done playin' possum
With my name ringin' bells, little wheel lead to bossin'
This shit awesome, give me room baby, tell 'em bring the coffin
Make this shit look easy, this is Stevie Mazel Tovin'

Bitches might turn
Choppa break down, scuff your sideburns
When the wait now, you're expired
Got a hit list, I'm a fighter (hey, hey, hey)
Imma get intimate, niggas is actin' like hoes
All of my niggas is gang, they stick to the code
Stuck up in my way upon me
I'm a beast, this the way it gotta be
Go and tell them niggas
