

Drip

Stevie Stone

She dripping wet, wet, dripping wet, wet (Wet)
Drip, drip, wet, wet, dripping wet, wet
I keep the pussy dripping wet, wet
Dripping wet, wet
Drip, drip, wet, wet, dripping wet, wet
I get up fresh out the shower
Digging for an hour, had another hour, yeah
Dripping wet, wet, dripping wet, wet, yeah
Drip, drip, wet, wet, dripping wet, wet

I told her climb on top of me and tell her sit on it, yeah
She dripping wet, wet, dripping wet, wet (Wet)
Drip, drip, wet, wet, dripping wet, wet
She got that pull and tug and kissing on me (On me)
Pineapple, 9 liters on the boss (On the boss)
She whispered in my ear
It's all about the drip ('Bout the drip)
She didn't hesitate to go and take it off
What I'm saying, she ain't playing
She's a freak up in them sheets (In them sheets)
Got a town undisclosed up in the loft (In the loft)
She climbed on top and put that cookie on my face (On my face)
I had no choice to bend it over, break it off
And you know

She dripping wet, wet, dripping wet, wet (Wet)
Drip, drip, wet, wet, dripping wet, wet
I keep the pussy dripping wet, wet
Dripping wet, wet
Drip, drip, wet, wet, dripping wet, wet
I get up fresh out the shower
Digging for an hour, had another hour, yeah
Dripping wet, wet, dripping wet, wet, yeah
Drip, drip, wet, wet, dripping wet, wet

We in the spaceship (Spaceship)
I love the drip, drip (Love the drip, drip)
And in the morning time
They say it's benefit (They say it's benefit)
We all benefit (We all benefit)
I speak my key in it (Speak my key in it)
Then bust it down, get up
Then you Master P and it make 'em say uhh! (uhh!)
When I'm deep in it (When I'm deep in it)
Settle down
Shit I'm trying to not to skeet in it (Not to skeet in it)
She wide open, got my ankle. hands, and feet in it (and the feet in it)
She dripping like a Tropicana cold, I'm pleased with it

She dripping wet, wet, dripping wet, wet (Wet)
Drip, drip, wet, wet, dripping wet, wet
I keep the pussy dripping wet, wet
Dripping wet, wet
Drip, drip, wet, wet, dripping wet, wet
I get up fresh out the shower
Digging for an hour, had another hour, yeah
Dripping wet, wet, dripping wet, wet, yeah

Drip, drip, wet, wet, dripping wet, wet
