

# Finding A Way

Stevie Stone

Ouuu finding a way  
Finding a way, finding a way

Working hard, it's been a long day  
A lot riding on the line, came a long way  
Lotta' people prayin' for me, and depending on me  
Child support up on my ass, hell suspended on me (uh!)  
Money make the world go round'  
Tryin' to get it every avenue I know how  
Mama lost her job, Cici really need me  
Always on the road, runnin' outta' freaks  
Cruise control my situation better  
More time for the kids, visitation better  
I mean by any means I'm grittin', I'ma find a way  
Lotta' time, lotta' sacrifice, a lot at stake  
What don't kill ya, see it make you stronger  
Hear my conviction in my voice, my hunger  
Fourth quarter (as I jot it down[?])  
Make my way through the game, travel outta' bounds

I (set foot[?]) come a long way  
No more struggle, Mama gon' see some better days  
Aim to, finding a way to break through  
Sittin', gazing up at the moon light  
Soon everything'll be aight'  
Aim to, finding a way to break through

Verse two this is for my sister  
Conflict come a rise, you know I'm ridin' wit ya  
You had my back since the first day that I remember  
Not enough to pay you back, nor that I could give ya  
Speaking from the soul on the goal makes me shed a tear  
Knew that I would always make it, though it took some years  
A strong woman, single Mother, raising two Daughters  
Calito here now and little Dougies getting taller  
And I'll be damned if we don't make it  
Leave it up to me and go spot a chance to take it  
Lookin' forward to Christmas time, family, snowy weather  
Nany told us, stay close, keep it all together  
Now picture that, so I'm headed out to find a way

Reverend Louis told me carry on  
Close your eyes, you can feel the spirit in the song

Some wandered in a dessert wasteland, finding no way to a city where they could settle  
They were hungry, and thirsty, and their lives ebbed away  
Then they cried out to the lord and their trouble, and he delivered them from their distress  
He led them by a straight way to a city where they could settle  
Let them give thanks to the Lord for his unfailing love and his wonderful deeds for all men
