

# Flip Mode

Stevie Stone

They know what I'm bout  
I go run miles  
The stage is my house  
Flip mode

Ready set go  
I been ready  
All In it authentic let the stars get 'em  
Gravitating thru the surface hear 'em commenting  
See I'm tryna make you nervous have your palms Sweaty

I be feeling like I'm noble  
I'm not perfect  
I'm not vegan  
A savage I see a sandwich I'm tryna eat it  
A problem since 50 follows I put my feet in  
Evolving became the model and 'tis the season

Trav told me put the stank on it  
He gone put the bank on it  
We won't even think on it  
Let me demonstrate on it  
Ima infiltrate on it dat gonit  
Gives a damn bout what u take on it

I'm a veteran letterman never can be better than  
Rather competitors beheading I'm ahead of them  
If s evident  
But bitch this Elephants better than ever and relevant  
They sniffin Ridellan peddling medicine  
I'm heaven sent. Ahhhhh!

They know what I'm bout  
I go run miles  
The stage is my house  
Flip mode when I come round

Stage killer ima stage killer I'm a made nigga play with 'em renegade niggas  
Ima daze niggas  
Push play when engaged I can shoot the fade with'em  
Rocking with the mother fuckin grave digger  
Put me in motion  
Locked and I'm on deck  
Groomed by the block for the niggas ain't know yet  
I can sing a Lullaby to the bitches going thru the speakers got them speakin  
g like Stevie I'm so wet Levi down  
Yep  
Said I'm on son  
I got a catalog that got us in the long run

They gone wild in the bleachers  
They be dying trying to meet us  
They be wanting the fillet mignon  
You can tell 'em what we on

They know what I'm bout  
I go run miles

The stage is my house  
Flip mode when I come round

They know what I'm bout  
I go run miles  
The stage is my house  
Flip mode when I come round

Ain't no party like a Tech 9 party  
Sellin tickets when I spit it  
Get the check mine hardy when I kick it  
Demons picket cause I bless minds Maudie  
Gave the gift & Imma lift it  
With the best rhymes Audi-ence

At attention nigga hence that ascension  
Was the mission now the vision is to rinse bad intentions  
The sickend, come & get they medi when they ready  
Keepin it heavy get the feti  
Then we pop a couple a Eddie's!

If you deceitful & compete with us then you die nigga  
In front of the people we come lethal & then if s bye nigga  
Why niggas, get adrenaline up ta try spittas?  
Get the pain spit the flame it be like a fire lit us!

I'm given em a domino effect, meddlin with honorable Tech,  
Vamonos you don't wanna go at Don in front of folks  
You comical at best!  
Yeah Yeah don't run now muh fucka  
Hit the switches on you bithces  
Put you down muh fucka Aye!

My stage is my sanctuary ain't you scary  
Comin for that bank you carry!  
Why ya hate me? Because I violate he that wanna try a great  
Ya die when I annihilate thee!

Ya people say that you such a vagina,  
For comin at me tuff & then come bust your demeanor  
You suckas be yelling I had enough when I sting ya  
When it come to performance you can't fuck wih the N9na nigga!

They know what I'm bout  
I go run miles  
The stage is my house  
Flip mode when I come round

They know what I'm bout  
I go run miles  
The stage is my house  
Flip mode when I come round
