

# Holiday

Stevie Stone

Lil mama got cake like a birthday  
I just ran up a check on a Monday  
We gon party like a holiday  
I bet I drop the top soon as I drive away

Mirror mirror on a Monday  
Think of flying maybe out to London  
In the morning it's me and Mossie  
Off to Paris just to have a luncheon  
Coming in like I'm what's for dinner  
Plot and plan to have a loud summer  
Don Peri just to coat the pilot  
Primary when we in Daytona  
Little momma like good designer  
With the cakes out we in California  
Raw paper that's automatic  
King shrimp just pile it over  
White bottles and calamari  
Nobody worried about a fender bender  
I'ma drive away in a drop top  
It's a holiday got the tinted windows  
Run it up now

Lil mama got cake like a birthday  
I just ran up a check on a Monday  
We gon party like a holiday  
I bet I drop the top soon as I drive away
