Might as well get up out the game if you know you actin'
What's dark come to light, after that, then you know what happens (Yeah)
Ant Bomb never ever been a bitch 'cause I'm known to get it crackin'
I done seen about action

Y'all be way too worried 'bout the beef with Kendrick and Drake
All that gossip like a bitch, damn, I know you ain't gettin' no cake
I been starvin' for this moment, stomach growlin' like a nigga ain't ate
Check the look on my face
All this music is a waste
It's a billion other rappers in the world, but stay in your place
I been grindin' twenty years, give me my flowers, you can put 'em in a vase
I shut the stage down when I come to your city
I done seen from the mud, we ain't tryna be pretty
You ain't foolin' me, bully, a bunch of rappers, but no dick (Let's go)

Rebels (Yeah)

Might as well get up out the game if you know you actin' (Woo)
What's dark come to light, after that, then you know what happens (Yeah)

Take a look at my face, take another route
Rebels (Yeah)
I been in the game, new chain, you see that's levels (Huh)
You can look up on the wall, I'm up all those trophies, medals (Uh-huh)
When I came out the mud, I still get pretty
Though it took a little time, I still get busy
