

# Selfish

Stevie Stone

Yep yep yep

I'm doing me  
They say I'm selfish  
I'm actin reckless  
You heard the message  
Say what you mean  
Don't disrespect it  
I get to flexing  
They say I'm selfish

Yo  
I know u pissed off  
Bout to lift off  
Get to shaking  
Niggas Kriss Kross  
It's a bit off  
No mistaking  
When I ripped off  
Took the grip off  
Got the bacon  
Calm yo motions down  
I'll put them motions out  
I'm so abrasive  
Determined I'm speaking a eulogy  
There's really not shit you can do to me  
I'm living my life like it's new to me  
There's no time rumors and foolery  
They dodging me ducking then pulling me  
The fuckery's coming belittle me  
These niggas is scary no grilling me  
You wonder why I be so finicky

I'm doing me  
They say I'm selfish  
I'm actin reckless  
You heard the message  
Say what you mean  
Don't disrespect it  
I get to flexing  
They say I'm selfish  
Yeah I'm selfish, yeah I'm selfish  
Bitch I'm selfish, bitch you selfish  
I been giving all my life now I'm selfish  
And I can't help it  
I'm super selfish  
It ain't conceited bitch  
I'm just being selfish

They saying that so and so wanted you  
So I come here and sign for it  
Cause they try and short me like I'm five four  
Told em four times I need times four  
Since I had to creep in through the side door  
Had meetings rappers would've died for  
Took the blinds off now they wanna say I'm on my high horse  
Like it's my loss little bitch

Nigga I ain't here to get rich  
Give me a shot you thought I would miss  
Selfish I can't really help it I just gotta keep it all a hundred percent  
Landlord I'm just here for the rent  
Can't call if you're looking to vent  
They double-sided and they try to hide it  
I don't ever buy it they can lie by the fence

I'm doing me  
They say I'm selfish  
I'm actin reckless  
You heard the message  
Say what you mean  
Don't disrespect it  
I get to flexing  
They say I'm selfish  
Yeah I'm selfish, yeah I'm selfish  
Bitch I'm selfish, bitch you selfish  
I been giving all my life now I'm selfish  
And I can't help it  
I'm super selfish  
It ain't conceited bitch  
I'm just being selfish
