## **Black Man**

## **Stevie Wonder**

First man to die
For the flag we now hold high
Was a black man
The ground were we stand
With the flag held in our hand
Was first the redman's

Guide of a ship
On the first Columbus trip
Was a brown man
The railroads for trains
Came on tracking that was laid
By the yellow man

We pledge allegiance all our lives
To the magic colors red, blue and white
But we all must be given
The liberty that we defend
For with justice not for all men
History will repeat again
It's time we learned
This world was made for all men

Heart surgery
Was first done successfully
By a black man
Friendly man who died
But helped the pilgrims to survive
Was a redman

Farm workers rights
Were lifted to new heights
By a brown man
Incandescent light
Was invented to give sight
By the white man

We pledge allegiance all our lives
To the magic colors red, blue and white
But we all must be given
The liberty that we defend
For with justice not for all men
History will repeat again
It's time we learned
This world was made for all men

Here me out

Now I know the birthday of a nation Is a time when a country celebrates But as your hand touches your heart Remember we all played a part in America To help that banner wave

First clock to be made In America was created By a black man Scout who used no chart Helped lead Lewis and Clark Was a redman

Use of martial arts
In our country got it's start
By a yellow man
And the leader with a pen
Signed his name to free all men
Was a white man

We pledge allegiance all our lives
To the magic colors red, blue and white
But we all must be given
The liberty that we defend
For with justice not for all men
History will repeat again
It's time we learned
This world was made for all men

This world was made for all men This world was made for all men This world was made for all men God saved His world for all men

All people
All babies
All children
