Whoa, well, don't you know, baby Child, don't you know baby Ow, don't you know baby Little girl, little girl, don't you know Please listen to me baby Girl, I'm in love with you so Turn your lamp down low I said turn your lamp down low Whoa, turn it down Please turn your lamp down low Come on baby Girl I'm in love with you so Now I know I've been away For such a long time But now baby I can't get you off of my mind So come on, please baby come on Come on, come on Love your daddy all night long Now if you love me Like I love you We can do all the things that we Used to do So come on, Ow, baby come on Please baby come on Love your daddy all night long

Say, have you heard baby
Ray Charles is in town
Let's mess around till the midnight hour
See what he's puttin' down
Come on
Please baby, come on, child
Oh lord, baby
Come on, all night long
Turn your lamp down low
Cause I love you so
Baby please come on
Love your daddy all night long
You hear me talkin', baby
Baby please come on
