

# If I Ruled The World

Stevie Wonder

If I ruled the world  
Every day would be the first day of Spring  
And every heart would have a new song to sing  
And we'd sing of the joy every morning would bring

If I ruled the world  
Every man would be as free as a bird  
Every voice would be a voice to be heard  
Why don't you take my word  
We would treasure each day that occurred

My world would be a beautiful place  
Where we would weave such wonderful dreams  
And my world would wear a smile on its face  
Like the man in the moon has when the moon beams

If I ruled the world  
Every man would say the world was his friend  
There'd be so much happiness that no one could end  
No, my friend  
Not if I ruled the world  
And every man would hold his head up high  
There'd be sunshine in everybody's sky  
If a day ever dawned that I...  
If I had anything to do with it I think it should be  
If I ruled the world
