You Will Know

Stevie Wonder

Lonely one of young so brokenhearted Traveling down the right road of life Using pharmaceutical extractions To find the paradise

Finds the high but comes down feeling lower Gets down on their knees and starts to pray Looking up to heaven for the answer They hear a voice that says

You will know
Troubled heart you'll know
Problems have solutions
Trust and I will show

You will know
Troubled heart you'll know
Every life has reason
For I made it so

Single parent trying to raise their children But they would much rather not alone Reaches out to find that special someone To make their house a home

Finds someone but no one is the right one Gets down on their knees and starts to pray Looking up to heaven for the answer They hear a voice that says

You will know
Lonely heart you'll know
Problems have solutions
Trust and I will show

You will know
Lonely heart you'll know
Every life has reason
For I made it so

[repeat 1st and 2nd chorus]
