

Hard Drugs

Stick Figure

they still want more...
the more them get it, and the more they want
some will even try to take his brothers life away
just to achieve a bit, more and more
talkin' bout, hard drugs
come on everybody what you searching for?
more and more
talkin' bout, hard drugs
the more they get it they still want more
said the stealer was away upon his ups and downs
and men are like junkies all over town
say the first man who try it denial is surely going to put them
down,
lord knows

talkin' bout, hard drugs
come on everybody what you searching for?
more and more
talkin' bout, hard drugs
the more they get it they still want more
said the stealer was away upon his ups and downs
and men are like junkies all over town
say the first they try it denial is surely going to getting' me
down
talkin' bout, hard drugs
come on everybody what you searching for?
more and more
talkin' bout, hard drugs
the more they get it they still want more
they still want more
talkin' bout it, everyone is talkin' bout it
talkin' bout it, everyone is talkin' bout it
they still want more...
the more them get it, and the more they want
some will even try to take his brothers life away
just to achieve a bit, more and more
talkin' bout, hard drugs
come on everybody what you searching for?
more and more
talkin' bout, hard drugs
