

Forgiveness of Self

Stick to Your Guns

I know the things I've done
And most I'm proud but some I'm not
And it's those that speak the loudest
That replay and keep me up
Broken and alone to face this on my own

And if I can't learn from what I've done
The pain I've felt has been for nothing
All for nothing
And if I can't forgive myself for the pain I've caused
It will always haunt me
Oh, I'm so sorry
I'm so sorry

I don't want a second chance
I just want to understand
What led me down this path
And how I can lead myself back

I'll face this on my own
And if I can't learn from what I've done
The pain I've felt has been for nothing
All for nothing

And if I can't forgive myself for the pain I've caused
It will always haunt me
Oh, I'm so sorry
I'm so sorry
I'm so sorry
I'm so sorry
I'm so sorry

And if I can't learn from what I've done
The pain I've felt has been for nothing
All for nothing
And if I can't forgive myself for the pain I've caused
It will always haunt me
I'm so sorry
