

Spineless

Stick to Your Guns

Yeah, ooh

Day by day
You somehow manage to sink even lower
Slowly securing your place in hell

Pulling us below
You've got a death wish and you won't let go
But is it all for show?
Spending all day running from your shadow

With every accusation
You're telling on yourself
And in your desperation
You created a living hell
It's all in your head
It's all in your head
Remember, it's not real
It's all in your fucking head
It's all in your fucking head

Not your fate
I know you want it and you're willing to kill for it
I don't know how you live with yourself
How you live with yourself

Pulling us below
You've got a death wish and you won't let go
But is it all for show?
Spending all day running from your shadow

With every accusation
You're telling on yourself
And in your desperation
You created a living hell
It's all in your head
It's all in your head
Remember, it's not real
It's all in your fucking head

Demand my silence
A blind eye to your endless violence
Pulling us below
You've got a death wish and you won't let go, oh
You won't let go
Yeah
Demand my silence
A blind eye to your endless violence
You can't define us
We see who you are
You're fucking spineless

With every accusation
You're telling on yourself
And in your desperation
You created a living hell
It's all in your head

It's all in your head
Remember, it's not real
It's all in your fucking head
