

## Tear The Walls Down

Stick to Your Guns

It's not about picking sides  
or right or wrong or who's been here for how long,  
Everyone has their opinion and somethin to say,  
I just know what's best for me, lets all, tear the walls down no  
w,  
We separate ourselves with a burning bridge  
And I hope to pave the way,  
You have a right to speak your mind,  
So don't keep your words confinde,  
I don't think i'm better than you, but I do believe what I do,  
And I will, stick to my guns,  
And I believe I control my destiny,  
This town is big enough for all of us,  
Tear the walls down now
