

## I Ain't Running

Sticky Fingers

I got shot and yes it hurt  
But my soul's shining  
Why're you not back from [?]  
They're coming for me but I ain't running  
Stick my nose into your business  
Everybody's talking  
You'll be waiting up while I'm off  
I don't care no more  
I'm letting go  
I'm letting go now  
I'm letting go now  
I'm letting go  
Like a robot sent from Mars or a [?] of flying  
Why're you not back from [?]  
They're coming for me but I ain't running  
'Cause monkey see and monkey do  
That same bull fly over you  
They're dropping off presents  
And no one else will know  
I'm letting go  
I'm letting go now  
I'm letting go now  
I'm letting go  
I'm letting go  
I'm letting go now  
I'm letting go now  
I'm letting go
