

## Not Done Yet

Sticky Fingers

A western home  
I climb up the bridge to meet you  
Got blistered toes  
Got time to kill on my sweet tooth  
This burning air  
In a town don't taste like it used to  
I don't know where I'm going  
Slowly

All my life  
Have a dream  
I get lonely  
It's not like me to steer away  
In the night  
It's alright  
Days destroy me  
But I don't always mean what I say

But I won't see red  
Despite what's within  
Yes I knew you always cared  
But I'm not done yet  
I'm not done yet

It's easy for the vanguard  
As it's beautiful when you are there  
I'm a sinner for my anger  
But I'll be waiting down your stairs

But I won't see red  
Despite what's within  
Yes I knew you always care  
But I'm not done yet

I won't see red  
Despite what's within  
Yes I knew you always care  
But I'm not done yet  
I'm not done yet
