

## All I Know

### Still Corners

Summer was like  
The fire  
You were like  
The child  
Somebody left  
The highway  
Nobody knows  
The cause

All I know, is that I don't know  
All I know, is I don't know  
All I know, is I don't know

Fire  
In the summer  
It's the fire  
It's desire  
Fire  
Desire

All I know, is that I don't know  
All I know, is I don't know  
All I know, is I don't know

All I know, is that I don't know  
All I know, is I don't know  
All I know, is I don't know

It's a fire  
In the summer  
Fire  
Desire
