

## Berlin Lovers

### Still Corners

We can't see  
What's real  
We don't know  
The time  
We only want to feel the light  
Yeah

We came from  
Far  
We follow  
The sound  
We fell into a hole of love  
Yeah

He turn by desire  
He turn by this love  
He turn by desire  
Still so young  
Yeah

So young...

Almost a man  
Almost a woman  
Berlin itself this boy's back home  
Yeah  
Almost a man  
Almost a woman  
Berlin itself this boy's back home  
Yeah  
Berlin itself this boy's back home  
Yeah  
Berlin itself this boy's back home  
Yeah
