

Fireflies

Still Corners

Out in the light, lost summer night
Everyone wants to dance in the firelight
(Ah-ah-ah, ah-ah-ah)
(Ah-ah-ah, ah-ah-ah)
(Ah-ah-ah, ah-ah-ah)
The night as long as we like
All the innocence of youth in the firelight
(Ah-ah-ah, ah-ah-ah)
(Ah-ah-ah)

Long gone days, catch 'em while you can
Everyone wants to fly with the fireflies

Edge of the night, a thousand lights
Moments like these burn in the firelight
(Ah-ah-ah, ah-ah-ah)
(Ah-ah-ah, ah-ah-ah)
We'll stay as long as we like
Days of our youth lost in the firelight
(Ah-ah-ah, ah-ah-ah)
(Ah-ah-ah)

Long gone days, catch 'em while you can
Everyone wants to fly with the fireflies

(Ah-ah-ah, ah-ah-ah) (Ah-ah-ah)
(Ah-ah-ah)
(Ah-ah-ah, ah-ah-ah) (Ah-ah-ah)
(Ah-ah-ah)
(Ah-ah-ah, ah-ah-ah) (Ah-ah-ah)
(Ah-ah-ah)
(Ah-ah-ah, ah-ah-ah) (Ah-ah-ah)
(Ah-ah-ah)

Long gone days, catch 'em while you can
Everyone wants to fly with the fireflies
Long gone days, catch 'em while you can
Everyone wants to fly with the fireflies
Long gone days, catch 'em while you can
Everyone wants to fly with the fireflies
Long gone days, catch 'em while you can
Everyone wants to fly with the fireflies
